

Casanova 09: Through A Long And Sleepless Night

Em **EmM7**
Through a long and sleepless night

Em7 **Em6**
I thought upon the jury's plight

Am **AmM7**
If what is wrong can feel so right

Am7 **Am6**
Then life's no longer black and white

Repeat chords as above
It's four o'clock and all's not well

In my private circle of hell

I contemplate my navel hair

And slowly slide into despair

This rut has fast become a trench

This smell has turned into the stench

Of rotten dreams and stale ideals

The past is snapping at my heels

Oh Danny Boy the pipes are blocked

With bedtime blues and future shock

I know the best is yet to come

but does it always take this long?

Gsus4 **G**
I can put on the perfume

F(b5) **F(sus2)**
Even wear the dress sometimes

C/E **G**
But I'll always be the bridegroom

Bsus4 **B (7)**
and never the bride

Em **EmM7**
You deserve to be horse-whipped

Em7 **Em6**
But I've no horse - that joke's so shit

Am **AmM7**
And whips would only make it worse

Am7 **Am6**
Don't tempt the lonely and perverse

Repeat chords as above
The casualties of casual sex

The child of three with X-ray specs

The conman low in self esteem

The Casanova in your dreams

I'll scream and scream and scream until

I've made myself critically ill

In hospital, in case you're there

In uniform, intensive care

I know you'll be the death of me

But what a cool death that would be

I'd rather die than be deprived

Of Wonderbras and thunder thighs

Gsus4 **G**
I can put on the perfume

F(b5) **F(sus2)**
Even wear the dress sometimes

C/E **G**
But I'll always be the bridegroom

F# **B (7) /A**
And never the bride
