**Am Asus4 Am Asus2**

(Resulting in the following progression in small print)  
(Basic chords in larger font)

**Am Am/G**  
Once  
(**Am Asus4 Am/G**)

**Am Am/G**  
There was a time  
**Asus2/G Am Asus4 Am/G**

**Am/F# Am/F Em7**  
When my mind lay on higher things  
**Asus2/G Am/F# Asus4/F# Am/F Asus2/F Em7(#5)**

**Am Am/G Am Am/G**  
And o n c e there was a time

**Am/F# Am/F Em7**  
I could find pretty words to sing

**Am Am/G Am Am/G**  
But n o w, well now I find

**Am/F# Am/F Em7**  
It saves time to say what you mean

**Am Am/G Am Am/G**  
I know it s e e m s so unrefined,

**Am/F# Am/F Em7**  
But it's time to let off some steam

Oh come on!

**F F#dim Am Em7**  
Everybody knows that no means yes,

**F F#dim Dm7/G G**  
Just like glasses come free on the N - H - S,

**F F#dim Am Em7**  
But the more I look through them the more I see,

**F G C**  
I'm becoming more like Alfie.

**Am Am/G Am Am/G**  
O n c e there was a time

**Am/F# Am/F Em7**  
When a kind word could be enough

**Am Am/G Am Am/G**  
And o n c e there was time

**Am/F# Am/F Em7 Am Am/G**  
I could blindfold myself with love, but now now

**Am Am/G Am/F# Am/F Em7**  
Now I'm r e s i g n e d to the kind of life I reserve

**Am Am/G Am Am/G**  
For other g u y s less smart than I -

**Am/F# Am/F Em7**  
You know the kind who will always end up with the girls-

And besides

**F F#dim Am Em7**  
Everybody knows that no means yes,

**F F#dim Dm7/G G**  
Jjust like glasses come free on the N - H - S,

**F F#dim Am Em7**  
But the more I look through them the more I see,

**F G C**  
I'm becoming more like Alfie.

Oh come on!

(Instrumental)

**F F#dim Am Em7**

**F F#dim Dm7/G G**

**F F#dim Am Em7**
