

Casanova 06: Songs Of Love

(Intro)

C (sus4) x4

C Fadd9 G Am7
Pale, pubescent beasts roam through the streets and coffee-shops;

Dm7 F Eb add9 Db9
Their prey gather in herds, of stiff knee-length skirts and white ankle socks.

C Fadd9 G Am7
But while they search for a mate, my type hibernate in bedrooms above,

D7/F# F F/G C

C Fadd9 G Am7
Young uniform minds, in uniform lines, and uniform ties

Dm7 F Eb add9 Db9
Run 'round with trousers on fire and signs of desire they cannot disguise.

C Fadd9 G Am7
While I try to find words as light as the birds that circle above,

D7/F# F F/G C
To put in my s o n g s of love.

Ab Fm6 C (/B) Am7
Fate doesn't hang on a wrong or right choice.

Ab Fm6 C/G G G7
Fortune depends on the tone of your voice.

So sing while you have time, let the sun shine from down above,

And fill you with s o n g s of love.

Take me. *(Instrumental)*
